~~Back in the late 70s & early 80s, the trend was to remove the foam inserts from the Thorens springs, remove the base and original feet (replacing the latter with spikes or blu-tack), and remove the ...~~

This book looks at the role of popular music in constructing the myth of the First World War. Since the late 1950s over 1,500 popular songs from more than forty countries have been recorded that draw inspiration from the War. National Myth and the First World War in Modern Popular Music takes an inter-disciplinary approach that locates popular music within the framework of ' memory studies ' and analyses how songwriters are influenced by their country ' s ' national myths ' . How does popular music help form memory and remembrance of such an event? Why do some songwriters stick rigidly to culturally dominant forms of memory whereas others seek an oppositional or transnational perspective? The huge range of musical examples include the great chansonniers Jacques Brel and Georges Brassens; folk maestros including Al Stewart and Eric Bogle; the socially aware rock of The Kinks and Pink Floyd; metal legends Iron Maiden and Bolt Thrower and female iconoclasts Diamanda Galás and PJ Harvey.

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

A revelatory, redemptive, and " wild...juicy " (Rolling Stone) memoir from the lead guitarist of the legendary hard rock band Def Leppard—the first ever written by one of its members—chronicling the band ' s extraordinary rise to superstardom and how they maintained it for three decades. Meet Phil Collen. You may know him as the lead guitarist in Def Leppard, whose signature song " Pour Some Sugar on Me " is still as widely enjoyed as when it debuted in 1988. Maybe you ' ve heard of him as the rock star that gave up alcohol and meat more than twenty-five years ago. Most likely you ' ve seen him shirtless—in photos or in real life—flaunting his impeccably toned body to appreciative female fans. But it wasn ' t always like this. Collen worked his way up from nothing, teaching himself guitar from scratch and slogging it out in London-based pub bands for years; that is, until Def Leppard formed and transformed from unknowns to icons, from playing openers in near-empty arenas to headlining in those same stadiums and selling them out every night. But as Collen discovered, true overnight success is a myth. Like the other band members, he had to struggle and fight his way to the top; in the end, he says, " our work ethic saved us. " Just as it still does. Adrenalized is an amazing underdog tale featuring a bunch of ordinary working-class lads who rose to mega-stardom, overcoming incredible obstacles—such as drummer Rick Allen losing an arm in a car crash and the tragic death of guitarist Steve Clark, Phil ' s musical soul mate. Featuring personal, never-before-seen photos of Collen and his band mates on stage and off, Adrenalized is a fascinating account of the failures, triumphs, challenges, and rock-solid dedication it takes to make dreams come true.
