The Smarter Balanced Practice Tests, including scoring guides, are now available for grades 3 through 8 and grade 11 in English-language arts (ELA) and mathematics. The Practice Tests provide a preview of the Smarter Balanced assessments, but do not reflect the full range of content that students may encounter on the actual assessments. As such, the practice tests should not be used to guide instructional decisions about students. No score reports are generated from the Practice Tests ...

Introduction - Grade 3 Mathematics

The MAP Test for 3rd grade is an untimed, computer-generated test divided into three subjects: math, language usage, and reading. It is a great way for both teachers and parents to gain a better understanding of a student's progress throughout the year, as well as a student's instructional needs.
