"Five Chimneys" is a Holocaust memoir written by Olga Lengyel, a Hungarian woman deported to Auschwitz in 1944 after the Germans occupied her native country. From the very beginning, she is subjected to inhumane conditions of the camp which, along with learning the news of her children and elderly parents perishing right after the arrival, almost completely break her will to live.

Gripping and inspiring, these true stories of bravery, terror, and hope chronicle nine different children's experiences during the Holocaust.These are the true-life accounts of nine Jewish boys and girls whose lives spiraled into danger and fear as the Holocaust overtook Europe. In a time of great horror, these children each found a way to make it through the nightmare of war. Some made daring escapes into the unknown, others disguised their true identities, and many witnessed unimaginable horrors. But what they all shared was the unshakable belief in-- and hope for-- survival. Their legacy of courage in the face of hatred will move you, captivate you, and, ultimately, inspire you.

"The incredible true story of Michael Bornstein--who at age 4 was one of the youngest children to be liberated from Auschwitz--and of his family"--

This true-life novel was written in the aftermath of the Second World War and the author’s terrible experiences in a Nazi death camp. Only now has it been published for the first time. Edith Hofmann is a survivor of the Holocaust, born in Prague in 1927 as Edith Birkin. In 1941, along with her parents, she was deported to the Lodz Ghetto, where within a year both her parents had died. At 15 she was left to fend for herself. The Lodz Ghetto was the second-largest ghetto to Warsaw, and was established for Jews and Gypsies in German-occupied Poland. Situated in the town of Lodz in Poland and originally intended as a temporary gathering point for Jews, the ghetto was transformed into a major industrial centre, providing much needed supplies for Nazi Germany and especially for the German Army. Because of its remarkable productivity, the ghetto managed to survive until August 1944, when the remaining population, including Edith, was transported to Auschwitz and Chelmo extermination camp in cattle trucks. It was the last ghetto in Poland to be liquidated due to the advancing Russian army. Edith was only 17, and one of the lucky ones. For the majority, it was their final journey. A small group of them were selected for work. With her hair shaved off and deprived of all her possessions, she travelled to Kristianstadt, a labour camp in Silesia, to work in an underground munitions factory.

An expanded edition of the powerful memoir about two sisters' determination to survive during the Holocaust featuring new and never before revealed information about the first transport of women to Auschwitz In March 1942, Rena Kornreich and 997 other young women were rounded up and forced onto the first Jewish transport of women to Auschwitz. Soon after, Rena was reunited with her sister Danka at the camp, beginning a story of love and courage that would last three years and forty-one days. From smuggling bread for their friends to narrowly escaping the ever-present threats that loomed at every turn, the compelling events in Rena’s Promise remind us that humanity and hope can survive inordinate brutality.

The Stunning and Emotional Autobiography of an Auschwitz Survivor April 7, 1944—This date marks the successful escape of two Slovak prisoners from one of the most heavily-guarded and notorious concentration camps of Nazi Germany. The escapees, Rudolf Vrba and Alfred Wetzler, fled over one hundred miles to be the first to give the graphic and detailed descriptions of the atrocities of Auschwitz. Originally published in the early 1960s, I Escaped from Auschwitz is the striking autobiography of none other than Rudolf Vrba himself. Vrba details his life leading up to, during, and after his escape from his 21-month internment in Auschwitz. Vrba and Wetzler manage to evade Nazi authorities looking for them and make contact with the Jewish council in Zilina, Slovakia, informing them about the truth of the “unknown destination” of Jewish deportees all across Europe. This first-hand report alerted Western authorities, such as Pope Pius XII, Winston Churchill, and Franklin D. Roosevelt, to the reality of Nazi annihilation camps—information that until then had only been recognized as nasty rumors. I Escaped from Auschwitz is a close-up look at the horror faced by the Jewish people in Auschwitz and across Europe during World War II. This newly edited translation of Vrba’s memoir will leave readers reeling at the terrors faced by those during the Holocaust. Despite the profound emotions brought about by this narrative, readers will also find an astounding story of heroism and courage in the face of seemingly hopeless circumstances.
