The novel "Lord of the Flies" is a story not only about the loss of innocence. In their own way, these children from scratch create a new hierarchy with different social roles that remind us of the real world. Children become fragmented, just like us, separated by different political ideas. They collide with each other, like nations in wars.

Set during WWII, 'Lord of The Flies' allegorically explores the underlying barbarism and obsession of power that only lead to destructions. Being a school teacher, Golding had wisely chosen the schoolboys as his characters to give his novel an wider reach. This novel is not only a classic with the revelation of human psyche, lots of symbols, shivering scenes and tragic events happened to the sympathetic characters like Piggy and Simon but also a thought-provoking parody that would make you ...
