Chris Eubank, with his jodhpurs and gold-topped cane, who lisped in his posh accent about his distaste for the business of 'pugilism', could not have appeared more different from Nigel Benn, 'The Dark Destroyer', the Essex boy who had battled with his demons to reach the top of the boxing world. Their boxing style was just as contrasting, and it was inevitable that they would have to settle their differences in the ring. Their first bout for the WBO world middleweight title, in Birmingham in November 1990, was a brutal affair, widely held to be one of the all-time great contests. Eubank emerged victorious over Benn, the people's champion, and immediately fans called for a rematch. But, for three years, the two men circled each other before coming together again in front of over 40,000 fans at Old Trafford and a global TV audience estimated at 500 million. Author Ben Dirs has interviewed the key protagonists to tell a story that gripped the nation and that still resonates today, 20 years on. It is a tale that reveals the best and the worst of boxing, while revealing the truth that lay behind the public facade.

25th February 1995 The Dark Destroyer vs the G-Man Nigel Benn and Gerald McClellan Two men with a reputation to defend - a reputation for brutal, unforgiving combat both in the ring and outside it. Ostensibly, they were fighting for a world title and a lot of money, the stuff of professional boxing. But this fight was different. It was a rare collision of wills, and few present had seen anything like it. After ten of the most gruelling and vicious rounds that the sport of boxing has ever witnessed McClellan finally was defeated. He knelt in his corner on one knee in submission. And he never got up. This is the story of what brought these two men together on the night of 25th February 1995 and how that night changed them forever. It's a story too about those associated with the promotion of public fist-fighting, who bend morality to suit their needs. It's a story that attempts to unravel the glamour of violence. William Hill Sports Book of the Year Finalist.
