~~Earthseed Series by Octavia E. Butler — Goodreads~~

Earthseed is a fictional religion created by Lauren Oya Olamina, one of Octavia Butler 's characters in her wonderful science-fiction novels *The Parable of the Sower* and *The Parable of the Talents*. Earthseed serves as an intellectual ancestor for its namesake SolSeed, a real-life movement which has some quasi-religious aspects.

~~Earthseed — SolSeed~~

Earthseed is a religion based on the idea that " God is Change". It is the creation of Octavia E. Butler, as revealed by her character Lauren Oya Olamina in the books: *Parable of the Sower* and *Parable of the Talents*. (A third book of the trilogy, *Parable of the*

Her single-mindedness in teaching Earthseed may be her only chance to survive, but paradoxically, may cause the ultimate estrangement of her beloved daughter. Parable of the Talents is told from both mother's and daughter's perspectives, but it is the narrative of Lauren's grown daughter, who has seen her mother made into a deity of sorts, that is the most compelling.

~~Parable of the Talents by Octavia E. Butler — read excerpt~~

Originally published in 1998, this shockingly prescient novel's timely message of hope and resistance in the face of fanaticism is more relevant than ever. In 2032, Lauren Olamina has survived the destruction of her home and family, and realized her vision of a peaceful community in northern California based on her newly founded faith, Earthseed.

Parable of the Sower Publisher's Summary Hugo and Nebula Award-winning author Octavia E. Butler paints a stunning portrait of an all-too-believable near future. As with *Kindred* and her other critically-acclaimed novels, *Parable of the Sower* skillfully combines startling visionary and socially realistic concepts.

Winner of the Nebula Award for Best Novel: The powerful and compelling sequel to the dystopian classic *Parable of the Sower* Lauren Olamina was only eighteen when her family was killed, and anarchy encroached on her Southern California home. She fled the war zone for the hope of quiet and safety in the north. There she founded Acorn, a peaceful community based on a religion of her creation, called Earthseed, whose central tenet is that God is change. Five years later, Lauren has married a doctor and given birth to a daughter. Acorn is beginning to thrive. But outside the tranquil group's walls, America is changing for the worse. Presidential candidate Andrew Steele Jarret wins national fame by

preaching a return to the values of the American golden age. To his marauding followers, who are identified by their crosses and black robes, this is a call to arms to end religious tolerance and racial equality—a brutal doctrine they enforce by machine gun. And as this band of violent extremists sets its deadly sights on Earthseed, Acorn is plunged into a harrowing fight for its very survival. Taking its place alongside Margaret Atwood's *The Handmaid's Tale*, Butler's eerily prophetic novel offers a terrifying vision of our potential future, but also one of hope. This ebook features an illustrated biography of Octavia E. Butler including rare images from the author's estate.

truth of Earthseed, the small community of the dispossessed that now surrounds Lauren Olamina looks to her—their leader—for guidance. But when the evil that has grown out of the ashes of human society destroys all she has built, the prophet is forced to choose between preserving her faith or her family. The Earthseed novels cement Butler's reputation as "one of the finest voices in fiction" period (The Washington Post Book World). Stunningly prescient and breathtakingly relevant to our times, this dark vision of a future America is a masterwork of powerful speculation that ushers us into a broken, dangerously divided world of bigotry, social inequality, mob violence, and ultimately hope.

It is 2032 and Lauren Olamina's daughter Larkin narrates the story of her mother's life as she spreads the word of her Earthseed

philosophy. As Larkin describes how they attain their goal of reaching the stars, she denounces her mother.

A New York Times Notable Book: In 2025, with the world descending into madness and anarchy, one woman begins a fateful journey toward a better future. "A stunner." "Flea, musician and actor, TheWall Street Journal Lauren Olamina and her family live in one of the only safe neighborhoods remaining on the outskirts of Los Angeles. Behind the walls of their defended enclave, Lauren's father, a preacher, and a handful of other citizens try to salvage what remains of a culture that has been destroyed by drugs, disease, war, and chronic water shortages. While her father tries to lead people on the righteous path, Lauren struggles with hyperempathy, a condition that makes her extraordinarily sensitive to the pain of

doubly dehumanized. In Sower, the place is California, where small walled communities protect from hordes of desperate scavengers and roaming bands of people addicts. Lauren sets off on foot along the dangerous coastal highways, moving north into the unknown. The book has an introduction by feminist, journalist, activist, and author Gloria Steinem. Parable of the Talents celebrates the classic Butlerian themes of alienation and transcendence, violence and spirituality, slavery and freedom, separation and community, to astonishing effect, in the shockingly familiar, broken world of 2032. It is told in the voice of Lauren Olamina's daughter--from whom she has been separated for most of the girl's life--with sections in the form of Lauren's journal. Against a background of a war-torn continent, and with a far-right religious crusader in the office of the U.S. presidency, this is a book about a society whose very fabric

Fledgling, Octavia Butler's last novel, is the story of an apparently young, amnesiac girl whose alarmingly un-human needs and abilities lead her to a startling conclusion: she is in fact a genetically modified, 53-year-old vampire. Forced to discover what she can about her stolen former life, she must at the same time learn who wanted—and still wants—to destroy her and those she cares for, and how she can save herself. *Fledgling* is a captivating novel that tests

the limits of "otherness" and questions what it means to be truly human.

An NPR Books Great Read: Two never-before-published stories from the archives of one of science fiction's all-time masters. The novella "A Necessary Being" showcases Octavia E. Butler's ability to create alien yet fully believable "others." Tahneh's father was a Hao, one of a dwindling race whose leadership abilities render them so valuable that their members are captured and forced to govern. When her father dies, Tahneh steps into his place, both chief and prisoner, and for twenty years has ruled without ever meeting another of her kind. She bears her loneliness privately until the day that a Hao youth is spotted wandering into her territory. As her warriors sharpen their weapons, Tahneh must choose between

imprisoning the newcomer—and living the rest of her life alone. The second story in this volume, “Childfinder,” was commissioned by Harlan Ellison for his legendary (and never-published) anthology *The Last Dangerous Visions*. A disaffected telepath connects with a young girl in a desperate attempt to help her harness her growing powers. But in the richly evocative fiction of Octavia E. Butler, mentorship is a rocky path, and every lesson comes at a price. The award-winning author of science fiction classics *Parable of the Sower* and *Kindred* bestows these compelling, long lost gems “like the miraculous discovery that the beloved book you’ve read a dozen times has an extra chapter” (*Los Angeles Review of Books*).
