I do believe in the quiet hero who subtly changes the way life is. Rosa Parks is my kind of hero. What she did was to refuse to be put down as a lesser human being. She refused to stand on the bus when there was a seat that she was not allowed to use. This simple little book reflects perfectly my kind of hero. Rosa's words are gentle and meaningful.

Reflections by Rosa Parks: The Quiet Strength and Faith of ...
“That quiet strength is, I think, the common denominator,” Fagan said of the two women he sculpted. “Rosa Parks definitely showed it with her actions and through her own life, and the same with Mother Teresa.” Fagan, 45, based the hat Parks wears in his sculpture on the one she was wearing in the iconic photo of her on the bus in 1955.

Rosa Parks Quotes (Author of Rosa Parks) - Goodreads
Quiet Strength Rosa Parks Quiet Strength celebrates the principles and convictions that have guided her through a remarkable life. It is a printed record of her legacy -- her lasting message to a world still struggling to live in harmony. Quiet Strength: Parks, Rosa, Reed, Gregory J ...

On June 15, 1999, Mrs. Rosa Parks was awarded the Congressional Medal of Honor -- a tribute to the power of one solitary woman to influence the soul of a nation. But awards and influence were far from her mind when, on December 1, 1955, she refused to move to the back of a city bus in Montgomery, Alabama. She was not trying to start a movement. She was simply tired of social injustice and did not think a woman should be forced to stand so that a man could sit down. Yet her simple act of courage set in motion a chain of events that changed forever the landscape of American race relations. Quiet Strength celebrates the principles and convictions that have guided her through a remarkable life. It is a printed record of her legacy -- her lasting message to a world still struggling to live in harmony.

On December 1, 1955, Rosa Parks refused to move to the back of a city bus in Montgomery, Alabama. She was not trying to start a movement. She was simply tired of the social injustice. Yet, her simple act of courage started a chain of events that forever shaped the landscape of American race relations. Now, decades after her quiet defiance inspired the modern civil rights movement, Mrs. Parks’s own words tell of her courageous life, her passion for freedom and equality, and her strong faith. Reflections by Rosa Parks celebrates the principles and convictions that guided her through a remarkable life. It is a printed record of her legacy—her lasting message to a world still struggling to live in harmony. Including historic and beautiful pictures, this collection of Rosa Parks’s reflections includes topics like dealing with fear, facing injustice, developing character and determination, faith in God, and her hope for the future. “I want to be remembered as a person who stood up to injustice,” writes Rosa Parks, “who wanted a better world for young people.” With Mrs. Parks’s words of wisdom, humility, and compassion, this book will inspire people of all races to carry on her great legacy.

Now adapted for readers ages 12 and up, the award-winning biography that examines Parks’s life and 60 years of radical activism and brings the civil rights movement in the North and South to life Rosa Parks is one of the most well-known Americans today, but much of what is known and taught about her is incomplete, distorted, and just plain wrong. Adapted for young people from the NAACP Image Award—winning The Rebellious Life of Mrs. Rosa Parks, Jeanne Theoharis and Brandy Colbert shatter the myths that Parks was meek, accidental, tired, or middle class. They reveal a lifelong freedom fighter whose activism began two decades before her historic stand that sparked the Montgomery bus boycott and continued for 40 years after. Readers will understand what it was like to be Parks, from standing up to white supremacist bullies as a young person to meeting her husband, Raymond, who showed her the possibility of collective activism, to her years of frustrated struggle before the boycott, to the decade of suffering that followed for her family after her bus arrest. The book follows Parks to Detroit, after her family was forced to leave Montgomery, Alabama, where she spent the second half of her life and reveals her activism alongside a growing Black Power movement and beyond. Because Rosa Parks was active for 60 years, in the North as well as the South, her story provides a broader and more accurate view of the Black freedom struggle across the twentieth century. Theoharis and Colbert show young people how the national fable of Parks and the civil rights movement—celebrated in schools during Black History Month—has warped what we know about Parks and stripped away the power and substance of the movement. The Rebellious Life of Mrs. Rosa Parks illustrates how the movement radically sought to expose and eradicate racism in jobs, housing, schools, and public services, as well as police brutality and the over-incarceration of Black people—and how Rosa Parks was a key player throughout. Rosa Parks placed her greatest hope in young people—in their vision, resolve, and boldness to take the struggle forward. As a young adult, she discovered Black history, and it sustained her across her life. The Rebellious Life of Mrs. Rosa Parks will help do that for a new generation.

Rosa Parks forever changed the landscape of American race relations with one simple act of courage. Including historic and beautiful pictures, Reflections by Rosa Parks is a collection of Mrs. Parks's own words on topics like dealing with fear, facing injustice, developing character and determination, faith in God, and her hope for the future.

Until recently, Rosa Parks’s personal papers were unavailable to the public. In this compelling new book from the Library of Congress, where the Parks Collection is housed, the civil rights icon is revealed for the first time in print through her private manuscripts and handwritten notes. Rosa Parks: In Her Own Words illumines her inner thoughts, her ongoing struggles, and how she came to be the person who stood up by sitting down. At the height of the Montgomery Bus Boycott, as Parks was both pilloried and celebrated, she found a catharsis in her writing. Her precise descriptions of her arrest, the segregated South, and her recollections of childhood resistance to white supremacy document a lifetime of battling inequality. Parks expressed her thoughts on paper using whatever was available—meeting agendas, event programs, drugstore bags. The book features one hundred color and black-and-white photographs from the Parks collection, many appearing in print for the first time, along with ephemera from the long life of a private person in the public eye.

The family of Rosa Parks share their remembrances of the woman who was not only the mother of the civil rights movement, but a nurturing mother figure to them as well. Her brave act on a bus in Montgomery, Alabama, on December 1, 1955, was just one moment in a life lived with great humility and decency.

Provides the story of the black woman whose refusal to give up her seat on a bus in Alabama set in motion all the events of the civil rights movements that resulted in the end of the segregated South.

Rosa Parks Rosa Parks was a quiet, dignified African-American woman who, in a world of injustice, decided to politely defy a racist policy. In doing so, she ignited a fire in the soul of a community whose "cup of endurance" would permit not even one more comparatively small injustice. Her case resulted in the Montgomery Bus Boycott wherein some 40,000 African-Americans crippled the Montgomery transportation industry with their non-violent protest of the racist policy that mandated Parks to give up her seat for white riders. But, as an unknown black minister was who elected to lead the boycott protest, one Martin Luther King, Jr., noted, it wasn't just the bus policy the African-American community was protesting, it was over 100 years of horrific injustice heaped upon a community whose founders had been forcibly brought to the United States. Inside you will read about... ✓ A Dark Legacy ✓ The Winds of Change ✓ The Stage Is Set ✓ The Civil Rights Movement ✓ Life after the Boycott And much more!It was time for a change, and the act of defiance by Parks, though not the first sacrifice, created the spark that would ignite the U.S. Civil Rights Movement. This book tells the story of the context in which Parks' refusal to yield her seat was set as well as the story of her life and legacy in a compelling, yet succinct, manner that is both packed with information and entertaining to read.

Rosa Parks is not just a lady who stayed seated on a bus. Her life is a relevant, important story that was notable, inspirational, and much-needed both in its time and today. This essential volume introduces young readers to a woman of quiet strength and resilience who did not waver in her convictions and beliefs. For younger readers, this is a rare opportunity to read age-appropriate text that incorporates complex issues using accessible, straightforward, engaging language that they can grasp, connect to, and be motivated by.
