5 or slash fiction : a genre of fan fiction which features a romantic pairing of two usually male fictional characters who are not romantically connected in the original work of fiction If women are the prime producers of the stuff, one would imagine that slash would be as full of male-female fantasies as male-male fantasies, but that's not the case.

[Slash | Definition of Slash by Merriam-Webster](#)

Saul Hudson, mainly known as Slash, was born on July 23, 1965, and was raised in Stoke-on-Trent. Both his parents worked in the entertainment business, his mother being a clothing designer (she did some of David Bowie's costumes) and his father being an art director for a record company.

The slash is an oblique slanting line punctuation mark /. Once used to mark periods and commas, the slash is now most often used to represent exclusive or inclusive or, division and fractions, and as a date separator. It is called a solidus in Unicode, it is also known as an oblique stroke, and it has several other historical or technical names, including oblique and virgule.
