by Susan Verner 45,367 views. Almost every culture of the world includes fables in its literature bank. These short stories using animals, forces of nature or plants and other inanimate objects are meant to teach us lessons that are universally applicable. Besides their moral value, fables can be useful in the ESL classroom because of their simplicity and their ability to draw the reader in regardless of culture.

### ~~Fable Time: Using and Writing Fables in the ESL Classroom~~

First, take the time to introduce SWBST and discuss each part in depth. Depending on the age of the students, I like to also teach them hand motions for SWBST. Somebody (point to self), Wanted (pull hands towards self), But (make an X with arms), So (make a check mark in the air), Then (make a fist like a period).

### ~~Summarizing: Teaching Summarizing Using Aesop's Fables~~

Fables originated long ago and were a form of oral storytelling. To help students understand what oral storytelling is all about, play the Telephone Game. (Students sit in a circle. The teacher whispers one line into the ear of the student to her right. Each student will turn and repeat the line to the next person by whispering it in their ear.

### ~~Teaching Fables To Elementary Students~~

Using Fables in Upper Elementary. Although we may only think of using fables in lower grades, using fables in upper elementary can be very beneficial. Not only are fables an excellent genre for teaching morals and themes in stories, but because they are short, they are wonderful to use when comparing and contrasting the treatment of similar themes and topics.
